To whom it may concern;

Michael Creel of Newcastle has been threatening and harassing my family and me for several years. Years ago I hired Mr. Creel to list one of my homes in Bellevue, however after money and items were stolen, Mr. Creel was fired.

As retaliation, Mr. Creel burglarized my homes on several occasions, used his notary to file fraudulent \$150,000 lien on property and fraudulent Durable Power of Attorney giving access to his accomplice Marci Smith.

Recently Mr. Creel sent email with threats to myself and family on 12-25-2021 (Sal Hernandez is known to traffic Guns and Drugs)

I have attempted to report crimes HOWEVER, I was accused of harassment by White Supremist Prosecutor David Seaver who was protecting White Supremist Michael Creel.

Other police officers falsified information and denied Michael Creel was same person who committed burglaries and fraud. I have included crimes for your record.

I have filed police report of harassment and have filed racial discrimination against county officials involved in cover up. Because Mr. Creel resides in your district I am notifying council members and police department. I have witnessed Mr. Creel purchase large quantity of cocaine and guns from Sal Hernandez.

\*I am willing to testify under oath and take lie detector test of my statements

I can be reached at 425-214-3263
